

COMMUTER LOOP SERVICE UPDATE

Effective Tuesday, September 3, 2019

Effective September 3, 2019 Concord Coach Lines will no longer make downtown/commuter loop stops, and will go directly to South Station instead.

Back on March 4, 2019 Concord Coach Lines changed the “commuter loop” stops due to safety issues and offered new tentative stops at India and Summer Streets. Unfortunately, these altered stops have brought new safety issues and have become problematic in the eyes of the City of Boston. Starting on September 3, 2019, Concord Coach Lines will be going directly to South Station, with downtown stops no longer being made on Surface Rd. & India St. or Purchase St & Summer St.

While we realize that this impacts many of our commuters, the safety issues must be our primary concern when navigating the busy streets of Boston. We apologize for any inconvenience this may cause you and we value your business as a Concord Coach Lines customer.
